Dedicated computer science student with a strong foundation in programming languages like C/C++, Python, java and JavaScript. Passionate about learning and have actively participated in hackathons and coding contests. Alongside my studies at Manipal University Jaipur, I have completed an industrial program in cyber security. My experience as a project intern at Istop.ai reflects my well-rounded skill set, making me an ideal candidate for technical and computer science based roles.

---

## experience

### INDUSTRIAL PROGRAM ON CYBER SECURITY FROM THREAT PRISM.

- Project intern at Threat Prism x Istop.ai.
- basics of Cyber security and basic ways to hack into systems
- Penetration testing.

### CLUBS
